## Opposition leaderssupport farmers, join Kisan Sansad at JantarMantar

NEW DELHI, AUG 6 /--/ Several leaders of opposition parties, including former Congress chief Rahul Gandhi, today extended their solidarity to protesting farmers and joined their Kisan Sansad at the Jantar Mantar here, saying the three "black" agri laws will have to be withdrawn. Leaders of 14 opposition parties met at Parliament House and then reached the nearby Jantar Mantar to participate in the Kisan Sansad, which began on July 22 to mark over seven months of the farmers' protests at Delhi's border points against the laws. The leaders neither spoke from the podium of the Kisan Sansad (farmers' parliament) nor were they seated on the dais. "Today all opposition parties together decided to support the farmers and demand the withdrawal of the three farm laws," Gandhi told reporters. "We want to give our entire support to all the farmers of the country," he said.

The three farm laws were enacted in September last year, following which farmers, mainly from Punjab, Haryana and Uttar Pradesh, are protesting at Delhi border points since November. "It will not work with a discussion on the farm laws and these black laws will have to be withdrawn,' Gandhi said, when asked that the government says it is ready to hold talks with farmers. He also alleged that the government is not allowing the opposition to raise the Pegasus snooping issue in Parliament. "You know what is happening in Parliament. We want to Pegasus the discuss (snooping) issue and they are not allowing it to happen. (Prime Minister) Narendra Modi has got into every telephone," he said. Gandhi, Leader of

Opposition in the Rajya Sabha Mallikarjun Kharge and several other Congress leaders besides members from other opposition parties were present at the meeting at Parliament House. Shiv Sena leader Sanjay Raut, RJD leader Manoj Kumar Jha, CPI (M) leader Elamaram Kareem, CPI leader Binoy Viswam. IUML leader Mohammed Bashir and DMK leader Tiruchi Siva were among

### Noidatobecometoymanufacturinghub: 134 cos acquire land to invest Rs 410 cr, create 6, 157 jobs OUR SPECIAL CORRESPONDENT however, is that out of 4,000 micro, small and

LUCKNOW, AUG 6/--/ With 134 big industrialists having acquired land at Noida's Toy Park to set up their factories at the cost of Rs 410.13 crore, the industrial town in Gautam Budh Nagar (Noida) district of Uttar Pradesh bordering Delhi, is poised to become a major manufacturing hub of toys in India with enough potential to challenge China's booming toy industry.

According to Yamuna Expressway Industrial Development Authority (YEIDA) officials, the toy factories will provide permanent jobs to 6,157 people. Following a call by Prime Minister Narendra Modi last year for increasing the country's share in global toy business, Uttar Pradesh Chief Minister Yogi Adityanath decided to set up a Tov Park in Noida to promote the industry. Industrialists were invited to invest in the park and due to the investor-friendly policies of the Yogi government, many big players in the toy business came forward to set up their their units at the Toy Park. Altogether 134 companies have so far been allotted land for setting up their factories at the Toy Park and construction of their units is likely to begin soon.

Major national companies that have acquired land at the Toy Park are Fun Zoo Toys India, Fun Ride Toys LLP, Super Shoes Ayush Toy Marketing, Sunlord Apparels, Bharat Plastics, Jai Shree Krishna, Ganpati Creations and RRS Traders. According to YEIDA officials, the acquisition of land by major players in the toy industry, such as Fun Zoo Toys India and Fun Ride Toys, is highly significant as they can challenge the monopoly of Chinese toy makers. The biggest challenge before the government,

enterprises in the toy medium manufacturing business, 90 per cent are in the unorganised sector, prompting the chief minister to take this initiative to promote the toy industry.

According to an estimate, India's toy industry will be worth Rs 147-221 billion by the year 2024, given the fact that the demand for toys in India is rising at a faster pace compared to global rate. Against the global average of the demand for toys increasing annually by five per cent, India's demand is rising by 10-15 per cent. However, the fact remains that India currently exports toys worth Rs 18-20 billion only annually due to the presence of the vast majority of manufacturers in the unorganised sector. India is also unable to compete with foreign players in toy business due to higher cost of its products compared to theirs, owing to its whopping manufacturing cost. The Toy Park at Noida seeks to reduce the cost of manufacturing of Indian toys while guaranteeing its quality. The government is relying on use of state-of-the-art technology by manufacturers to produce toys of high quality, more durable and cheaper than the Chinese ones. Chinese toys are expensive and have a short life. Therefore, it is now believed that the demand for Chinese toys will decrease as Indian toys start flooding markets with the manufacturing of toys in Noida.

According to market estimates, the demand for Chinese decorative lights and Lord Ganesh's and Goddess Lakshmi's idols has dropped sharply in the recent past during the festival of lights (Diwali) because better quality, cheaper and durable indigenous products are available now.

# Skin to Skin contact: SC appoints amicus on plea against Bombay HC order acquitting man under POCSO

NEW DELHI, AUG 6 /--/ Considering gravity of controversy surrounding the Bombay High Court verdict holding that groping a minor's breast without 'skin to skin contact' cannot be termed as sexual assault", the Supreme Court today appointed an amicus curiae to assist in the case in which a man was acquitted under the provision of Protection of Children from Sexual Offences (POCSO) Act. The top court on January 27 had stayed the operation of the January 19 verdict of the Nagpur bench of the Bombay High Court after Attorney General had mentioned it and was allowed to file an appeal.

A bench of Justices U U Lalit and Ajay Rastogi said that in this case it needs to appoint amicus curiae looking at the gravity of the controversy as this is a case where accused cannot go unrepresented. The bench said it will list the matter for disposal on August 24 as the first item on the board for the day. We request senior advocate Siddharth Dave to assist the court as amicus curiae. Registry is directed to send papers of the case to Dave immediately, the bench said in its order. The top court, which on January 27 stayed the high court's verdict after Attorney General K K Venugopal mentioned the matter, had also issued notice to Maharashtra government and permitted the AG to file an appeal against the January 19 verdict of the High Court. "Considering the stringent nature of punishment provided for the offence (under POCSO), in the opinion of this court, stricter proof and serious allegations are required," the high court had said. "The act of pressing of breast of the child aged 12 years, in the absence of any specific detail as to whether the top was removed or whether he inserted his hand inside the top and pressed her breast, would not fall in the definition of sexual assault," it had said. It had further said that "the act of pressing breast can be a criminal force to a woman/ girl with the intention to outrage her modesty". The court, in its verdict, had held that this "physical contact mentioned in the definition of sexual assault must be "skin to skin" or direct physical contact. "Admittedly, it is not the case of the prosecution that the appellant removed her top and pressed her breast. As such, there is no direct physical contact i.e. skin to skin with sexual intent without penetration," the High Court had said. (PTI)

NEW DELHI, AUG 5 /--/ Communication between two girls through exchange of letters form the subject of a new book which attempts to portray life in Kashmir from the perspective of its young minds and providing a context of understanding for the new generation in other parts of the country.

"Post Box Kashmir: Two Lives in Letters" provides an insight into the minds and hearts of teenage girls, one in Delhi and the other in undergoing Kashmir, momentous points in history. Do only Muslims live in Kashmir? Why do girls in Kashmir do stone pelting? Can you imagine being confined to the four walls of your home with no internet, no social media? Are Kashmiris really invisible to the rest of the country?

These are some of the questions two teenagers -Saumya Sagrika in Delhi and Duaa Tul Barzam in Kashmir - asked through letters they exchanged over almost three years. The answers they seek are likely to be the answers that all teenagers growing up in India would ask

Framing these letters is the detailed history and commentary provided by journalist Divya Arya, who asked them to be pen pals, which places their conversations against the backdrop of the political history and happenings in Kashmir: "PostBoxKashmir" is the result of these conversations.
